

# 2016

*growth and  
development*

*In 2016, you met Collyn.*  
**Now, MEET NATASHA**

*Collyn's mom*

"I've seen the difference that St. Ann Center makes, especially in Collyn, my 5-year-old. When he first came here, he didn't talk at all. He wouldn't eat with the other kids.

*This year, he's completely different.* He's interacting with the kids; he's playing with them; he's having lunch with them. And for the Center, it's not just about the kids... It's about the families, too. They've kept me involved with his learning. This is a great place for kids, for families, and the community. They include the older people so all the kids can get *that love and compassion.*"

## OPENING

**our Dental & Medical Clinics at the Bucyrus Campus.**

The Gardetto Family Community Dental Clinic specifically serves people with physical or cognitive disabilities in Wisconsin.

The Bucyrus Campus Medical Clinic, unlike a walk-in clinic or urgent care, aims to be a true health care home for the community it serves.

## CHRISTMAS WISHES

Every wish on the Greendale Community Church's giving tree was granted this Christmas, providing \$900 worth of books, games, crayons and supplies for people of all ages.

**Thank you** to Marjorie Singer for recommending this to her church!

**\$200,000** given to open two Bucyrus Campus childcare rooms.

**Thank you**  
Dan & Eileen Meehan!

*Thank you for creating an amazing year of our joyful intergenerational community.*

The life-changing difference you make with your support was recognized not only by the people you helped, but also by the greater Milwaukee community in 2016.

**Each award to the right is due to the time, talent and generous gifts you dedicate to St. Ann Center.**
